EXPERIENCE

Force Touches

12/2015 – 2021

Software Team Leader

specialized in developing web and mobile applications from inception to completion.

- During my seven-year tenure at Force Touches Company, I served as a dedicated Software Team Leader. Under my guidance, the team grew from 9 to 20 skilled professionals.
- I was deeply involved in every phase of the software development lifecycle, beginning with initial client consultations where we analyzed project requirements and determined the most suitable technology stack. [Check my Projects Via Link](#)
